Dear Sir:

In response to the Notice to File Missing Parts dated March 25, 2004, Applicants hereby petitions under 37 C.F.R. § 1.182 for reconsideration of the indication of omitted items therein. The required fee under 37 C.F.R. § 1.17(h) should be charged to Deposit Account No. 502-927.

1. The Notice to File Missing Parts states that Figure 4c appears to have been omitted from the application.

2. The illustration that should have been labeled "Figure 4c" was actually present in the application as filed. However, the drawing sheet including that illustration includes errors in the labeling of the respective figures, such that illustration in question is missing the appropriate label. A copy of the drawing sheet from the subject application is attached for reference.

3. In evidence of the foregoing, Applicants additionally submit a copy of the corresponding drawing sheet from the priority document (filed concurrently with

Application of BELLIARD et al.  
Appln. No. 10/735,603

the subject application) is attached. The label "FIG 4C" corresponding, generally, to elements 64 and 66 is highlighted for emphasis.

4. A preliminary amendment is being filed concurrently to submit a corrected version of the drawing sheet in question.

5. In view of the foregoing, Applicants submit that Figure 4c was in fact included in the subject application at the time it was filed on December 12, 2003. Although the Notice to File Missing Parts states that the filing date has been granted, Applicants seek to ensure that no doubt exists as to the filing date in view of this issue.

6. Furthermore, in view of the foregoing, Applicant respectfully requests that the fee paid under 37 C.F.R. § 1.17(h) be refunded and credited to Deposit Account No. 502-927, Applicants having duly established that no items were missing from the application as filed.
